

Have a Great Visit, Responsibly.

The most refreshing thing about Monterey County is how down to earth it really is. See how going for a walk is more rewarding than taking a drive. How convenient it can be to carry reusable water bottles and bags. Or how fulfilling it is to know that your low-impact visit gives you a connection to the next generation of visitors.

of Monterey County:

- Say “no” to single use plastics (especially plastic straws) and help us lead the charge towards a plastic-free ocean.
- Protect our Monterey Bay and waterways by disposing of trash, recyclables, compost, cigarette butts, and pet waste in proper receptacles.
- Join Monterey’s leadership in water conservation.
- Stay on designated trails, leave nature where you find it, and respect private property.
- Locate public restrooms and parking before beginning your outing.
- Safely pull off the road for photos in designated areas.
